## ECZEMA!

For the benefit of suffering humanity, I do my duty to give this unsolicited testimony in favor of *Swett's Specific*. My wife has had eczema for over ten years. Tried every known remedy, but to no avail. She was also afflicted with a pernicious nervous disease, which caused her intermittent fever, so that her life became a burden to her. Finally determined to try *Swett's Specific*, which I did two weeks ago. After taking the first large bottle the disease seemed to increase, the burning, itching, and soreness increased. But she however, persevered in the use of the medicine. After taking the second bottle the irritation began to subside. After the third bottle the inflammation disappeared. The sore spots dried up and turned white and scaly, and the skin became smooth again. While powerfully paretic, there was a great appearance of the disease is gone, and her skin is now perfectly smooth. The rashes have disappeared and she enjoys the entire good health she has known during the time of her affliction. One ounce of *Swett's Specific* is worth a thousand times its weight in gold.

Any further information concerning her case will be given on application to her residence, 135 Mullett street, or by me,  
JOHN F. MARMADUKE, 44 Griswold street, New Haven, Conn.
